Kevin,

With all the happenings on the 11th - I am not clear as to whether or not we gave anything to Loreen. (Checked my file stuff and e-mails and can't find... I also have a call into her to see if she got something via interoffice mail) Anyhoo - can you or Chris look over these one last time before I flip them to her? I have Kevin's most recent marks-up and am leaving everything on Kevin's counter for whichever one of you wants to eyeball the stuff. Let me know so I can flip these to her. Thanks guys...
